

RESEARCH PROJECTS. BIBLIOGRAPHIES. RELAX. ENDNOTE LOVES THAT STUFF.

CITE WHILE YOU WRITE™ Watch your bibliography appear as you cite with EndNote in Pages '09, Microsoft Word and OpenOffice.org Writer 3. EndNote knows the rules for over 4,500 styles so you save time and increase accuracy.

COLLABORATE WITH ENDNOTE WEB AND RESEARCHERID Move references between the desktop and Web easily with your own EndNote Web account. Share groups with colleagues and classmates and even cite references from both EndNote and EndNote Web in a single paper. Whichever way you want to work, EndNote is ready! And, EndNote Web is linked directly to ResearcherID so presenting your personal works on the free author community is simple.

SEARCH ONLINE RESOURCES and look for the EndNote export in your favorite online resources.

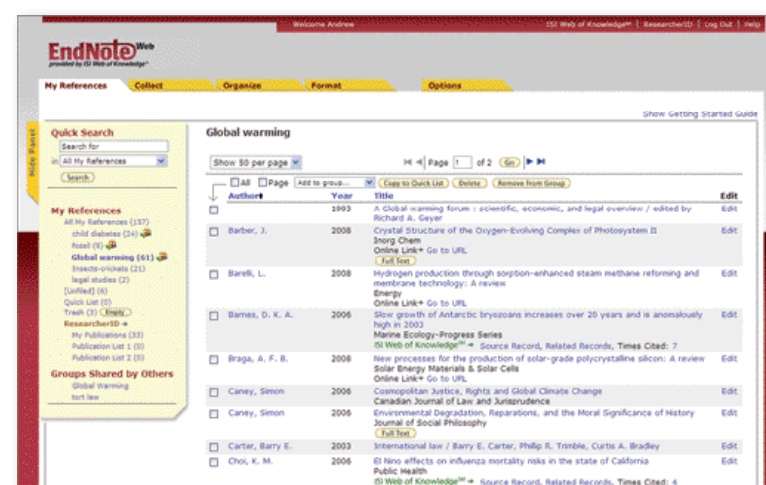

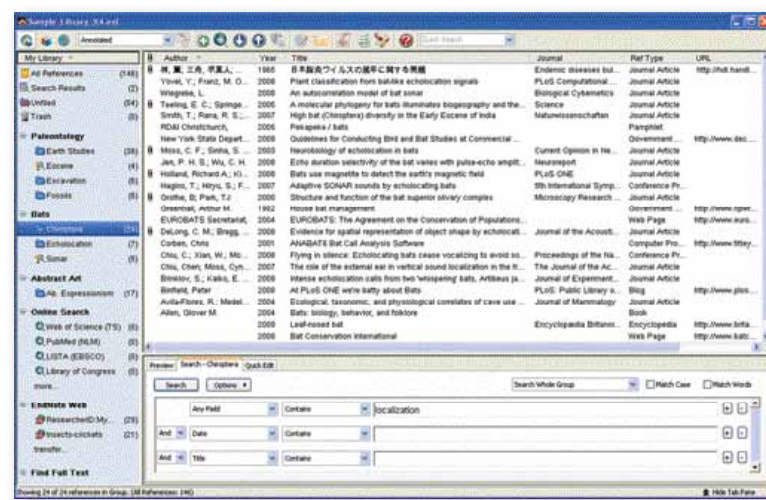

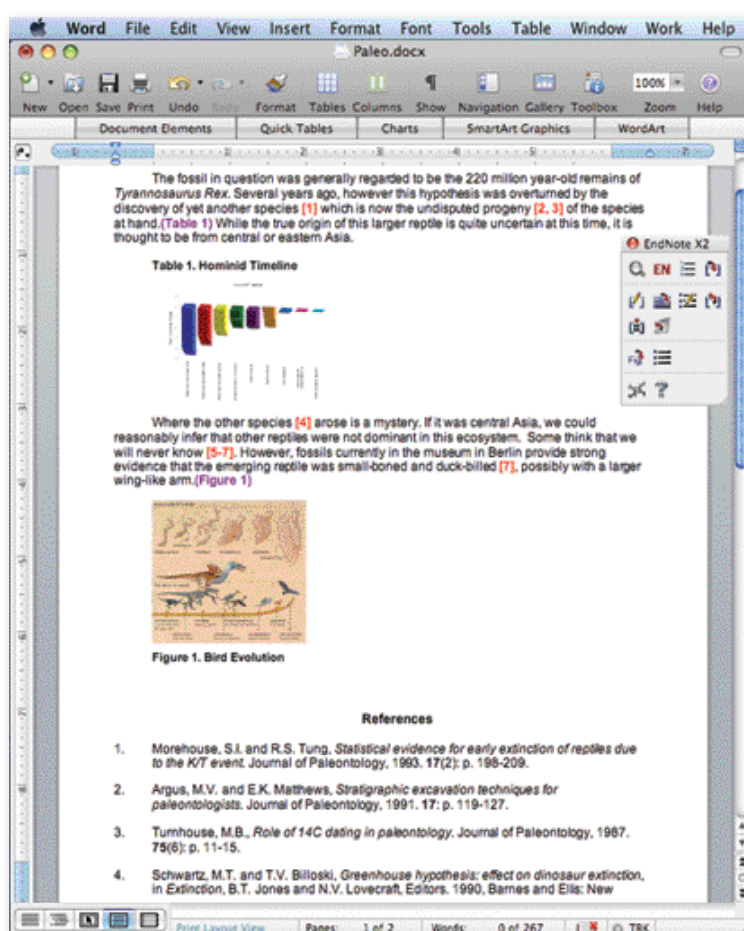

Let EndNote **LOCATE AND SEARCH FULL TEXT** stored with references.

GROUP REFERENCES and then compare, combine and suppress groups.

HYPERLINK YOUR CITATIONS to the bibliography in Microsoft Word.
